INDIA- UK TECH SUMMIT

The India UK TECH Summit 2016, will be held in New Delhi from 07th – 09th November 2016. The TECH Summit will see British and Indian entrepreneurs, experts and leaders in various fields related to technology and will bring together leaders in research and government and industry from both the countries India & UK. It will provide a platform for promoting technology- intensive trade and investments between the two countries.

The Summit will demonstrate the depth of relationship between India- UK in business, innovation, entrepreneurship, research and education

The UK and India are an unbeatable combination, for enormously successful partnership. The UK has been the top G20 investor in India since long and India invests more in the UK than it does in all other European Union countries combined. TECH summit was announced during Honourable PM Modi's landmark visit to the UK last year, and falls exactly a year on.

LATEST REGULATORY UPDATE BY THE SECURITIES AND EXCHANGE BOARD OF INDIA (SEBI)

Options Contract in Commodity Trading:

SEBI in its circular dated 28th September, 2016 has allowed commodity derivative exchanges to launch options contracts for trading. It will attract more investors and deepen the commodity derivatives market.

For launching options trading, commodity derivative exchanges will need prior approval from SEBI. Detailed norms will be released later.

In circular Exchanges are advised to make necessary rules, regulations and amendments to the relevant bye-laws for the implementation of the same.
