CIT Vs. Air Cargo Agents Association of India [ITA No. 2455 of 2013, Bombay High Court, dtd. 31.03.2016, in favour of assessee]

HC Applied mutuality doctrine to exempt members' contribution despite surplus invested in MF

Bombay HC dismisses Revenue's appeal, holds that contributions received by assessee (an association of air cargo agents) cannot be chargeable to tax merely because assessee invested surplus amount in mutual funds for AY 2007 -08; Rejects Revenue's contention that investment in mutual funds not being assessee's object, the concept of mutuality was inapplicable and thus, contribution received from members was exigible to tax even though it was used to achieve assessee's objectives; Relies on coordinate bench ruling in Common Effluent Treatment Plant (Thane-Belapur) Association and distinguishes Revenue's reliance on SC ruling in Bangalore Club; Observes that in Bangalore Club case, even when SC held that complete identity between contributors and participants was ruptured as soon as the excess fund were invested in bank fixed deposit, what was brought to tax was interest on fixed deposit and not the entire contribution from members; Noting that in assessee's case income from mutual fund investment was already offered to tax, HC observes that the assessee-association in fact followed SC ruling in Bangalore Club

Siemens Nixdorf Informationssysteme GmbH Vs. Dy. Director of Income Tax [ITA No. 3833/Mum/2011, ITAT Mumbai bench, dtd. 31.03.2016, in favour of assessee]

ITAT Allowed STCL on assignment of loan; Advance to subsidiary "capital asset" u/s2(14)

Mumbai ITAT reverses CIT(A) order, allows assessee's (a non-resident Company) claim of short term capital loss on

assignment of loan advanced to its Indian subsidiary for AY 2002-03; Relies on Bombay HC ruling in Vidur V Patel wherein deposit under the Compulsory Deposit Scheme Act, 1963 was regarded as a "property", remarks that "When such are the views of Hon'ble jurisdictional High Court, there is no reason for us to exclude an advance from the scope of 'capital asset'"; Rejecting Revenue's contention that assessee's right to recover the sum advanced was not a capital asset u/s 2(14), holds that "An advance given by the assessee is a property in the sense it is an interest which a person can hold and enjoy, and since it is a property and it is not covered by the exclusion clauses set out in Section 2(14), it is required to be treated as a 'capital asset'", also takes note of Gujarat HC ruling in Minor Bababhai; Referring to provision of Sec. 9(1)(i) (which provides that any income "through the capital asset situated in India" is deemed to accrue/ arise in India), opines that "As a corollary to this taxability of income, the loss through the capital asset situated in India is also required to be taken into account"; Lastly dismissing Revenue's allegation about tax evasion motive, holds that "The authorities below were in error in fighting shy of the tax corollaries of a legally valid commercial transaction, without bringing on record any material to disprove its bonafides or to show that it's a sham transaction".

Nitul B. Shah Vs. ITO [(2016) 68 taxmann.com 90, ITAT Mumbai bench, dtd. 05.11.2015, in favour of revenue]

Period of holding of property received under family arrangement is computed from date of such arrangement

Where assessee received immovable property belonging to his grandmother who died intestate by way of family settlement, in order to determine nature of capital gain arising from sale of said property, period of holding would commence from date when he became owner of property in question by virtue of family arrangement and not from date when his grandmother expired.

Venture capital company and venture capital fund (VCF) is given status of pass through vehicle for purpose of treatment of income received on account of investment made in venture capital undertaking; therefore, assessee, which invested in a VCF, would be entitled to book expenditure incurred by VCF as if same had been incurred by assessee directly in VCF.

CIT Vs. Ramaniyam Homes (P.) Ltd. [(2016) 68 taxmann.com 289, Madras High Court, dtd. 22.04.2016, in favour of revenue]

Waiver of loan tantamount to benefit or perquisite, chargeable to tax under Sec. 28(iv)

A monetary transaction, in the true sense of the term, can also have a value. Any number of instances where a monetary transaction confers a benefit or perquisite that would have a value, can be conceived of. There may be cases where an incentive is granted by the supplier, waiving a portion of the sale price or granting a rebate or discount of a portion of the price to be paid, when the payments scheduled over a period of time, are made promptly. It is needless to point out that in such cases, the prompt payment of money itself brings forth a benefit in the form of an incentive or a rebate or a discount in the price of the product. it should also happen in the case of waiver of a part of the loan. the waiver of a portion of the loan would certainly tantamount to the value of a benefit. This benefit may not arise from "the business" of the assessee. But, it certainly arises from "business".

Commissioner of Income Tax Vs. Subhash Kabini Power [ITA No. 169/2015, Karnataka High Court, dtd. 29.03.2016, in favour of assessee]

Karnataka HC follows AP-HC ratio; Carbon credits sale not taxable

Karnataka HC dismisses Revenue's appeal for AY 2009-10 and approves Bangalore ITAT ruling, holds that entitlements earned on sale of carbon-credit is a capital receipt and not taxable; Observes that "carbon credit is not

the business of the assessee nor the same is generated as a by product on account of business activity of power generation, but is earned on account of concern for environment, carbon credit is generated on account of employment of good and viable practices by assessee"; Rejects Revenue's contention that carbon credits earned from assessee's power generation business amounts to benefit/perquisite which shall be taxable as business income u/s 28; Relies on Andhra Pradesh HC ruling in My Home Power Ltd.; HC takes note of SC rulings in Maheshwari Devi Jute Mills Ltd. and Empire Jute Co. Ltd., also distinguishes Revenue's reliance on SC rulings in Oberoi Hotel (P) Ltd. and Kettlewell Bullen & Co. Ltd on facts.

Karnataka HC upholds ITAT order deleting addition u/s 41(1) (relating to cessation of liability) on account of unconfirmed outstanding creditors' balances for AY 2010-11; Rejects Revenue's stand that since party could not be traced and debts could not be verified, addition u/s 41(1) should be sustained; HC rules that "In legal parlance, merely because the creditor could not be traced on the date when the verification was made, same is not a ground to conclude that there was cessation of the liability"; Clarifies that "Cessation of the liability has to be cessation in law, ….the debt is recoverable even if the creditor has expired, by the legal heirs of the deceased creditor.".

Section 45 – Capital Gains

Section 153A – Assessment in case of search or requisition

Principal Commissioner of Income Tax Vs. Lata Jain [ITA No. 274/2016, Delhi High Court, dtd. 29.04.2016, in favour of assessee]

Proceedings u/s153A invalid absent incriminating material in "each of the years" during block-assessment

Delhi HC upholds ITAT order, proceedings u/s 153A not valid as no incriminating material was found qua the assessee in "each of the years" during block assessment; Assessee's (individual) gold and silver utensils were held not to be its personal effects by the Revenue for AYs 1998-99 and 1999-00; ITAT had rejected Revenue's argument that existence of incriminating material in all years wasn't necessary and it was sufficient if incriminating material is found for any of the years by opining that "every year is a separate year and existence of incriminating material in one year cannot be applied to another year"; Relies on coordinate bench ruling in Kabul Chawla; Concurring with ITAT's view, rules that "the impugned order of the ITAT suffers from no legal infirmity and no substantial question of law arises for determination".

Section 192 – TDS on Salary

ITC Limited Vs. Commissioner of IT (TDS) [Civil Appeal No. 4435-37 of 2016, The Supreme Court of India, dtd. 26.04.2016, in favour of assessee]

Hotel tips not salary absent reference to employment contract, TDS inapplicable

SC reverses Delhi HC order, holds that TDS u/s 192 on salaries is not applicable on payment of tips by assessee hotel to its staff/waiters; Observes that tips are voluntary payment which may or may not be paid by the customers for services rendered and therefore, does not qualify as salary u/s 15(b), holds that "Section 15(b) necessarily has reference to the contract of employment between employer and employee, and salary paid or allowed must therefore have reference to such contract of employment"; Holds that tips are received by employer in his fiduciary capacity as trustee for payments received from customers which are then disbursed to employees, rejects Revenue's argument that there is indirect reference of such tips to employment contract as but for such contract, tips would not have been paid at all; Points out that if this argument of the Revenue is accepted, "even the position accepted by the revenue and consequently the High Court that tips given in cash, which admittedly are not covered by Section 192, would also then be covered inasmuch as such tips also would not have been given but for the contract of employment between employer and employee" ; Also rejects Revenue's contention that tips would qualify as payment in lieu of salary u/s 17(3)(ii) since tips does not arise from contract of employment, observes that Sec. 17(3)(ii) uses the expression 'employer" in the same sense as Sec. 15 as it states "for the purpose of Sec 15" salary includes profit in lieu of salary.

Section 194J – TDS on Fees for professional or technical services

TDS inapplicable on foreign agent's commission despite orders secured from Indian Co

Pune ITAT deletes Sec 40(a)(i) disallowance, holds commission payment by assessee (an Indian company) to foreign agent (based in Italy) for obtaining purchase order from Indian subsidiary of an Italian company, not liable to Sec 195 TDS; During AY 2010-11, assessee paid commission to foreign agent to follow up with Italian company and secure orders from its Indian subsidiary for supply of measuring instruments; Rejects Revenue's stand that since order was procured by assessee from an Indian entity, the services were provided in India and the citus of foreign agent was in India, hence Sec 195 TDS was applicable; ITAT notes that the Italian company must be having control on decision making precision of its Indian subsidiary and foreign agent was involved in liaisoning/follow up with the Italian company, hence the services were rendered in Italy; Relies on CBDT circular no. 786 dated August 7, 2000, Madras HC ruling in Faizan Shoes and SC ruling in GE India Technology Centre, distinguishes Revenue's reliance on Delhi HC ruling in Havells India Ltd..

Section 220 – When tax payable and when assessee deemed in default

SC uphold Sec.234A/B/C interest deletion, given Revenue's failure to adjust seized cash against tax-liability

SC dismisses Revenue's SLP appeal against Allahabad HC order; HC had deleted interest levied u/s 234A/B/C for AY 2010-11, as Revenue had failed to adjust seized cash (available before return filing due-date, in its public deposit a/c consequent to search/seizure) against assessee's tax liability; HC had observed that "assessee made a number of request from time to time for the adjustment of the cash seized against the liability of the advance tax, but the department neither replied nor adjusted the said amount"; HC had thus ruled that assessee was entitled to adjustment of seized cash against advance tax liability and therefore, no interest could be charged u/s 234A/B/C; Upholding HC order, SC rules that "We find no reason to entertain this Special Leave Petition, which is, accordingly, dismissed"

Section 245 – Set off refunds against tax remaining payable

Vijay Singh Kadan Vs. Chief Commissioner of Income Tax [W.P.(C) 683/2016, Delhi Hihg Court, dtd. 25.04.2016, in favour of assessee]

Giving hearing opportunity to assessee before adjusting refund 'mandatory' u/s 245, quashes adjustment

Delhi HC allows assessee's (an individual) writ, quashes Revenue's adjustment u/s 245 of demand pertaining to AY 2008-09 against refund due for subject AY 2006-07, without affording an opportunity of being heard to assessee; HC notes that "although the refund voucher uses the word 'adjustment to be made' …, the refund issued was after the adjustment was made."; Rejects Revenue's stand that it was merely 'withholding' and not 'adjusting' part of refund for subject AY, pending 'verification' of demand for AY 2008-09, holds that Department was fully aware that demand for AY 2008-09 was under challenge; Further relies on co-ordinate bench rulings in The Oriental Insurance Company Limited and Glaxo Smith Kline Asia (P) Ltd. to hold that prior to invoking the discretionary power u/s 245 of adjusting demand against refund due, a show cause notice must be issued to assessee; HC holds that by issuing notice u/s 245 two months after the notice was issued by this HC in present petition, "Revenue cannot seek to correct the fatal error arising from the clear violation of the mandatory requirement u/s 245 of the Act.", directs Revenue to forthwith issue the balance refund to assessee which was unlawfully withheld.

INTERNATIONAL TAXATION

Section 9 – Income deemed to accrue or arise in India

Trans Global PLC Vs, Director of Income Tax (International Taxation) [(2016) 68 taxmann.com 146, ITAT Kolkata bench, dtd. 16.03.2016, in favour of assessee]

Datamine International Ltd. Vs. Addl. Director of Income Tax [(2016) 68 taxmann.com 97, ITAT Delhi bench, dtd. 14.03.2016, in favour of assessee]

Sum received for providing training to end-users of software sold by assessee is business receipt and not 'FTS'

Revenue earned from 'software sale' by assessee an India branch of a UK company to Indian customers was in nature of business receipts and not royalty as same was consideration for sale of a copyrighted product and not for use of any copyright

Receipts from annual maintenance contract having same character as that of original software shall be covered under business profits under article 7, as receipts from sale of software had also been held to be in nature of business receipts under article 7

Where training to employees of end users of software sold by assessee for which consideration had been received was ancillary and subsidiary to sale of software; it was to be treated as business receipts under article 7 of DTAA between India and U.K.

BNP Paribas SA Vs. Asst. Commissioner of Income Tax [ITA No. 3422/Mum/2009, ITAT Mumbai bench, dtd. 31.03.2016, in favour of assessee]

'Hypothetical independence of PE' fiction restrictive; Foreign bank's India branch interest non-taxable

Mumbai ITAT rules that interest paid by Indian branches of BNP Paribas SA (assessee, a foreign bank) to its head office and foreign branches, not taxable as 'interest income' in hands of assessee for AY 2004-05; Rejects Revenue's stand that when an Indian PE is allowed deduction in respect of any payment made to it's GE (i.e head office and other foreign branches) while computing profits attributable to PE in terms of Article 7(3) of India-France DTAA (by treating HO and PE as separate entities), corresponding income addition in the hands of foreign bank should be made; Remarks that "The approach so adopted by the revenue authorities, on the first principles, is contrary to the scheme of the tax treaties."; Opines that "The fiction of hypothetical independence of a PE vis-a-vis it's GE and other PEs outside the source jurisdiction is confined to the computation of profits attributable to the permanent establishment and, in our considered view, it does not go beyond that, such as for the purpose of computing profits of the GE."; Distinguishes Revenue's reliance on coordinate bench rulings in case of Dresdner Bank and British Bank of Middle East wherein the principles of computing separate profits for PE and GE treating them as distinct entities were laid down; Firstly ITAT notes that Dresdner case dealt with the taxability of interest received by a PE (Indian Branch) from its GE, whereas present case is concerned with reverse situation, holds that "These two situations, … are materially different situations and are governed by different principles of determining taxable profits."; Further holds that views expressed by co-ordinate bench in Dresdner Bank and reiterated by SC in case of Hyundai Industries Co. Ltd. do not apply to treaty situations, notes that in terms of Sec 90 of the Act, present case is governed by beneficial provisions of India-France DTAA ; Remarks that "What we have before us is a peculiar situation in which interest received from the GE…is not treated as taxable on the basis that interest credit in this regard is to be taxed on the basis of logic flowing from judicial precedents in the cases of CIT Vs Sir Kikabhai Premchand [(1953) 24 ITR 506 (SC)] and Betts Hartley Huett & Co Ltd Vs CIT [(1979) 116 ITR 425 (Cal)]… while interest paid to GE is held to be deductible in the light of the provisions of article 7(3)(b) being applied on the interest debit, which are preferred over the provisions of the domestic law in view of the provisions of section 90 of the Act."; Lastly, ITAT relies on Mumbai ITAT Special Bench ruling in case of Sumitomo Mitsui Banking Corp to uphold assessee's grievance

Section 172 – Shipping business of non residents

K Cargo Global Agencies Vs. ITO [ITA NO. 306/Ahd/2016, ITAT Ahmedabad bench, in favour of assessee]

Ownership/ charter of vessel by assessee not a pre-condition for availing Art. 8 benefit

Ahmedabad ITAT allows assessee's (resident of Indonesia) appeal challenging assessment u/s 172(which deals taxation of non-resident shipping companies) for AY 2012-13, holds that income earned from slot chartering in certain vessels sailing from Port of Mundra not taxable in India under Article 8 of India-Indonesia DTAA; Revenue denied exemption under Article 8 of India-Indonesia DTAA on the ground that vessels in which the containers were transported were not owned/ chartered by the assessee and thus taxed income from slot chartering u/s 172; ITAT notes that as per Article 8(1) source jurisdiction (India in this case) has no rights to tax income from operations of ships in international traffic or even any activity directly connected with such operations, whether carried on by the assessee on his own/ in collaboration with others; Further points out that there is no reference to

ownership and charter of vessels in Article 8 whereas it is Sec. 172 which refers to ownership/ charter of vessels, observes that "If it is the case of the Assessing Officer that the assessee is not an owner or charterer of the vessel, section 172, under which the impugned assessment is framed, does not come into play at all, and the very foundation of the impugned assessment ceases to have any legally sustainable basis. Revenue does not, therefore, has anything to gain from this hyper-technical plea"; Relies on Bombay HC ruling in Balaji Shipping UK Ltd. to wherein it was held that "slot hire facility is an integral part of the contract of carriage of goods by sea" and thus is eligible for treaty protection against source taxation of such income.
