

COVID-19

ARUNACHAL PRADESH IS FOLLOWING VERY STRICT QUARANTINE PROTOCOL

1. All the people who are entering the state are being first sent to **Mandatory Institutional Quarantine.**

2. **100% RT PCR testing** to be done for all the people in **Mandatory Institutional Quarantine.**

3. Only when the person tests **NEGATIVE**, he/ she is discharged from Institutional quarantine and sent for completion of **14 days Strict Home Quarantine** under supervision of District Administration.

4. Thus, Arunachal Pradesh is one of the few states who is going for **MASS TESTING** of returnees with strict Institutional and Home Quarantine Protocols.
