In his address to the students Shri Pokhriyal said that our priority during this epidemic is to ensure safety and academic welfare of students. We will ensure that while conducting the examination, we strictly follow the guidelines given by the Ministry of Home Affairs and Health Ministry so that students are kept away from the grip of this epidemic.

The Minister said that social distancing will also be followed in the examination centers and all other precautionary arrangements will also be made. Shri Pokhriyal advised all the students to remove all kinds of stress from their minds and pay attention to their studies. The National Testing Agency has prepared a testing App for all the candidates through which students can complete their preparations. In the end, the Minister wished all the students for their examinations.
